Before beginning assembly, please refer to the instructions included with the fixture. Due to the dynamic development of lighting technology, we provide additional information at the client's request. Information on recommended light sources is based on manufacturers' data. We are not responsible for the completeness and validity of the offer, therefore we refer to the current technical information of the manufacturers of light sources. Condensation that may occur in fixtures is a natural phenomenon and does not affect the deterioration of the fixture's quality.
