Before beginning assembly, please familiarize yourself with the instructions included with the fixture. Due to the dynamic development of lighting technology, we provide additional information at the client's request. Information on recommended light sources is based on manufacturers' data. We do not take responsibility for the completeness and validity of the offer, therefore we refer to the current technical information from the light source manufacturers. Condensation that may occur in fixtures is a natural phenomenon and does not affect the deterioration of the fixture quality.
