Before starting the assembly, familiarize yourself with the instructions attached to the fixture. Due to the dynamic development of lighting technology, additional information is provided at the customer's request. Information on recommended light sources is based on manufacturers' data. We are not responsible for the completeness and validity of the offer, therefore we refer to the applicable technical information from the manufacturers of light sources. Condensation that may occur in fixtures is a natural phenomenon and does not affect the deterioration of the fixture's quality.
