Before the installation, read the instructions attached to the luminaire. Due to the dynamic development of lighting technology, we provide additional information at the client's request. Information on recommended light sources based on manufacturers' data. We are not responsible for the completeness and the validity of the offer, therefore we refer to the current technical information of the manufacturers of light sources. Condensation, which may occur in luminaires, is a natural phenomenon and does not deteriorate the quality of the luminaire
